## HEALTH CARE COSTS ARE RISING TWICE AS FAST AS SOCIAL SECURITY INCOME

The HealthView Services “2017 Retirement Health Care Costs Data Report” indicates that retiree health care expenses will rise at an average annual rate of 5.47 percent for the foreseeable future. The report notes that this rate is “almost triple the U.S. inflation rate from 2012-2016 (1.9%) and more than double annual projected Social Security cost of living adjustments (2.6%).”
